L. A.O memo no 1686 of the 22nd May '14 forwarding the H.O file no 40-13 Pol of the G.P.O requesting the verification of figures in the Column 'Present scale' of the Proposition statements sent therewith & the return of the file

With reference to the above, I beg to state that the figures in the column 'Present scale' were verified with the entries in the Establishment (now here) Audit register of the Comptroller's office The first 2 columns "number & date" of G.P.O orders sanctioning the scales now in force are blank in the Proposition statements. The Audit register has not in the (the compared) case of the G.P.O notes except those of 1911 sanctioning a (preliminary) revision of the P.W. & Mohatarfa establishments. The Municipal office has been unable to furnish the necessary information though it is repeatedly asked to give the same the G.P.O relating to the latest revision of the P.W. & Mohatarfa establishments have been duly noted in the Proposition statements

2 The Health establishment including Health officer, Conservan

Chandanbatti health camp,
Maidwino, Dadadin Hospital,
Inoculation and registration in
vital statistics (was omitted by the
Asst. President in the Proposition
statement As no change is
contemplated in these establishments
they have all been lumped together
and shown in one line in the
Proposition statement under
present scale

3 The Asst reports shows the Sanctioned
pay of Head Mali under 'Garden
+ Parks' to be Rs 8 & 10. The register
does not show the 2 " and the
interval of increments, Both the
President and no financial value
could therefore be calculated
calculated
The President shows the pay of the Garden
Head Mali to be Rs 9 in the Proposition
statement. If the increment is assumed
(which is most probable)
to be an annual one at Re 1, the value
of the appointment will be Rs 9-12-0
The total under 'Garden + Park'
will be Rs 48-6-0. The grand total
under 'Present scale' will then
be Rs 3144-11-9 these figures have
however been left in pencil in the
statement.

The revenue and expenditure of the Mysore City Municipality are far less than that of the Bangalore City Municipality. The scale of Rs 2½ for the former should not therefore exceed that for the latter. Consequently the pay of the Manager of the Mysore City Municipality should not exceed that of the Manager of the Bangalore City Municipality

The recommendations of the Admn branch reduce the proposal by Rs 9

President, City Municipal Council,

Through the Deputy Commissioner.

To K.R.Sreenivasa Iyengar,Esq., M.A.

Secretary to the Govt. of Mysore,

Bangalore.

Sir,

I have the honour to submit herewith proposals for revision of Establishment of the Mysore City Municipal Office as approved by the Municipal Council in the Meeting held on the 28th March 1914.

The revision has done away with the following staff:-

One Collector on Rs. 50/- plus 15.

One Mohaturfa - Munshi.... .. " 15/-

Six temporary Accounts on Rs. 12/- each. Rs.72/-.

Total... " 152/-.

In their stead the following new Establishment has been proposed :

4 Accountants, one on Rs. 15/- and the other three on Rs. 12/- each a month = Rs.51/-.

As the Municipal Office is working under high pressure and as the Establishment is paid very low in comparision with other offices which have had the benefit of repeated revisions, the Municipal Council have kindly sanctioned a small increment of pay to the following officials who are to get the maximum by

Requesting to kindly
Government Sanction to the
Revision ~~Proposals~~ of the Establis
City municipal offices as
by the Mysore City municipal
Council in the meeting held on
28th March 1914

GBPM—13-9-1910—250

by yearly increments as follows:-

			Increase.
Manager	Rs. 50- 5-80	Rs.	10/-
English Clerk.	" 20- 1-25	"	5/-
Munshi.....	" 25- 1-30	"	5/-
Deputy Munshi..	" 12- 1-15	"	3/-
Record Keeper..	" 18- 1-25	"	7/-
D.P.W.Accountant	" 25plus10	"	10/-
Store Keeper...	" 25- 1-30	"	5/-
Market Daroga..	" 12- 1-15	"	3/-
			48/-

The total increase in this case is Rs. 48/- per month which the officials get after 3 to 6 years service, the first increment of course being due within one year from the date each official got his present grade. The increment is not much considering the hard work and responsibility involving on each official and this may be kindly sanctioned.

Rs.10/- provided against D.P.W. accountant is the personal allowance sanctioned to Hussain Ali, whose permanent pay has been Rs. 35/- all along He was acting Collector hitherto on Rs. 50 plus 15 but on account of the abolition of that office he has to revert to his previous pay of Rs. 35/- As no such appointment exists in the Municipality he has to be given a personal allowance equal to his original pay. Hence the Council have sanctioned this allowance (vide remarks against D.P.W accountant in the detailed proposal list)

The increase in other cases is to the peons. There are 54 peons all of whom get Rs. 5/- each. This is greatly less than what an ordinary day laborer gets and this is one of the reasons why Municipal peons are not permanently sticking to their places. In consideration of the increased cost of living, & with a view to improve their position a little, all these have

been given Rs. 6/- each.

An increment of Re. 1/- to the Dafedar and an increment of Re. 1/- each to 4 peons on Rs. 6/- is also proposed.

These are all the revision proposals, the financial aspect of which would be as follows when the officials reach the maximum after nearly 5 years.

Total increase..... ... Rs. 159/- £159 ✓

" decrease..... .. " 152/-

net increase. " 7/-

Statement of detailed propositions and a copy of the Council resolution are appended for kind perusal and I request you to kindly obtain the sanction of Government to the revision proposals.

I have the honour to be,

Sir,

Your most obedient servant,

Ishwara Rai

President.
